JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 24 November 1971

25X1 1. [ ] Dorothy Fosdick, Staff Director, Subcom-  
mittee on National Security and International Operations, called to ask if  
25X1 there was any new information on the India/Pakistan situation. After  
25X1 talking with [ ] OCI, I called her back and brought her  
up-to-date [ ]  
[ ]

25X1 2. [ ] Phillip Trimble, Senate Foreign  
Relations Committee staff, called to say that today's Alsop article about  
Chinese missiles had created considerable interest and he would like to  
come to Headquarters on Monday, 29 November, for a briefing on the  
subject. After conferring with Mr. Duckett, who said he would be  
prepared to give the briefing if the Director approved, I called back  
to tell Mr. Trimble that we could not give him an answer until Monday.

25X1 3. [ ] Attended a meeting of the Legislative  
Interdepartmental Group at the White House. See Memo for Record.

25X1 4. [ ] George Murphy, Joint Committee on Atomic  
Energy staff, called to say Captain Edward Bauser, Executive Director of  
the Committee, would like us to give the JCAE staff a briefing on the recent  
ChiCom nuclear tests some time next week. I told Murphy I would check  
on this and be back in touch with him on Monday.

I alerted Murphy to the fact that next week I would provide him with  
a copy of the advance conclusions of the NIE 13-8-71 on "Communist China's  
Weapons Program for Strategic Attack."

25X1 5. [ ] I advised [ ] DDS staff, that 25X1  
I had talked with Mr. John Ticer, Senate Armed Services Committee staff,  
about the followup information General Westmoreland had offered the  
Committee on CIA activities [ ] when the General appeared before 25X1A  
the Committee to testify on [ ] (The Committee  
has asked DOD to review the transcript of this hearing in order to sanitize 25X1A  
it for possible publication.) [ ] said he would notify [ ] 25X1  
[ ] so he could advise his DOD contacts of this so he could be sure 25X1A  
that General Westmoreland's response is deleted as part of the security  
review. Our classified followup paper will be given to the Committee staff  
for their purposes if needed.
